Situated within a short walk to local shops and just over a kilometre to the pristine surrounds of Rainbow Beach. The classic weatherboard style offers a welcoming ambience on arrival, as well as side access and a circular drive, adding to the attraction. As you step inside, you'll be captivated by the spaciousness and character of this home. Freshly painted interiors and gorgeous polished timber floorboards, showcase the tasteful finishes within. A substantial living room off the entry is highlighted by large windows, allowing an abundance of natural light in and a pleasant streetscape when looking out. Art Deco style glass timber doors open into the inviting dining space, that sports a sunny aspect making it the perfect place to start your day. Adjacent to the dining area is a full timber kitchen that could easily be modernised with very little effort. A modern, free standing gas cooktop and electric stainless-steel oven adds to the ease of which you can create in this well-lit space. Three spacious bedrooms, all with large windows providing plenty of natural light, feature the same timber floors that make such a statement throughout this home. The bedrooms are serviced by an original, but immaculate, family bathroom along with a separate WC. The backdoor opens out to a separate building that incorporates a second bathroom, laundry, workshop and single lock up garage. A separate carport increases covered carparking. The huge backyard provides a secure space for the children and/or pets to play, with established trees creating a private and tranquil environment. A long driveway reaching into the yard accommodates ample off-street parking and creates an opportunity to park a boat, van or construct another shed, while still leaving loads of yard to rest and have fun.
