Add your personal touches and create a home of your own. The block is 819 m2 and offers clear side access to the carport at the rear. Located high and dry in popular Kepnock, this chamferboard home includes: - 4 bedrooms plus office - Formal lounge, front sunroom - Kitchen/dining - Hardwood timber floors - 2 toilets - Iron roof - Concrete stumps - Fenced block - 3 bay carport plus enclosed workshop Priced well to meet the market, this lowset timber home has much potential. It does need a renovation and needs to be painted both internally and externally. It is getting harder to find homes in this price bracket, if you are chasing an entry-level home or an investment, be quick, opportunities like this are getting harder to find ...
