Entertaining in this home will be a delight. With multiple spaces inside and out, you will be spoilt for choice when family and friends call in for a visit. Internally there are 3 generous living spaces. Starting with a good size Media room for family movie nights, a spacious Family Living & Meals area with wood fire for the cool winter days. And finally, a 3rd Living space that is currently being used as a gym but could easily be a 5th bedroom. The kitchen is positioned in the heart of the home and the home cook will feel part of the action when entertaining. There are 4 spacious bedrooms all with ceiling fans, wardrobes and ducted air. The master bedroom is complete with large walk-in wardrobe and ensuite. On the outside this property caters to everyone. Flowing out from the Family Living there is a very large patio that looks out over the pool & spa. With space for a Lounge as well as Dining and Bar Stools this will be the space the whole family spends their days & nights. There is a Hot Tub Spa that the owner is willing to leave, but it can be removed. There is a 6m X 6m Powered Shed with attached Carport, Double remote garage with large shade sail covering the driveway. To top it all off there is a firepit in the garden to toast those marshmallows.
