Set on the sunny, coveted northern side of a boutique group, this two bedroom apartment offers wonderful lifestyle and investment value with an open aspect over sun-catching north-facing living and balcony, light-filled bedrooms including master with ensuite access ...and an in-demand location within walking distance of the transformed Highett Village and its myriad of restaurants, cafes, bars, shopping and transport. Expansive, bright and with an abundance of extras, there's a sizeable stone-finished prestige appliance kitchen, a two-way design large bathroom, and great storage including built-in and walk-in robes. Reverse-cycle air-conditioned with the security of video-intercom access and the ease of a lift to basement garaging with storage are amongst the many other highlights. Highett train station is a mere 500 metres away, and there's an equally easy walk to Southland, and Sir William Fry and Highett Reserves. Offering outstanding value, this apartment represents an invaluable opportunity for owners and investors alike.
