This four-bedroom, two-bathroom home ticks every box for a growing family. Inside, the open plan living area is modern and convenient, with tiled floors and plenty of space for your dining table. The kitchen boasts a double sink and oversized pantry as well as ample cupboard space. This home's layout is designed with family living in mind, with a separate master suite that includes its own ensuite and walk-in robe. Every bedroom is air conditioned, with carpeted floors and built-in storage. Other functional features include a two-car garage with direct access to the inside of the home, and an internal laundry. Outside, the fenced backyard is massive, with a covered outdoor patio, plenty of room for kids to play and an above-ground swimming pool. The backyard also features a garden shed and water tank, and the home has 7.9kw solar power installed. Join Gracemere's growing community and find yourself in a handy location, close to Warraburra Primary School. -?Lowset brick home-?4 bedrooms -?2 bathrooms-?2 car garage-?Above ground pool -?Walk-in wardrobe and ensuite in main bedroom-?Built-in robes in other bedrooms-?Internal laundry -?Roller blinds -?Air conditioning & ceiling fans-?880 sqm block, fully fenced with side access -?Outdoor patio -?7.9kw solar -?Close to Warraburra Primary School
