*Inspection by appointment***WHAT WE LOVE**They certainly do not build them like this anymore, and they most certainly are not creating more land this size in the area. This is an incredible opportunity to secure not only a great home for your family today but an unbelievable investment for the future also due to the proposed zoning changes and the massive 1,144m² lot. The home itself would be one of the largest 3 bedrooms, 1 bathroom properties I have seen with massive rooms and spacious living areas throughout. The way this property has been cared for and maintained is nothing short of amazing as it simply presents as good as the day it was built both indoors and outdoors. The access down both sides, the dual crossover, the under house storage, and the powered workshop are also massive bonuses that will be sure to get you excited. Do not delay as this one is certain to have plenty of admirers. **WHAT TO KNOW** Council rates: \$1,610 per annum Water rates: \$861.57 per annum Lot size: 1144m² Year built: 1974 Zoning: R20 proposed R30 **WHO TO TALK TO** Shane Beaumont 0424 893 242 Sbeaumont@realmark.com.au
