This great sized family home has a beautiful relaxed feel about it with a large open plan living and dining room that is flooded with natural light and stunning original floorboards. Featuring 3 light filled bedrooms all with built-ins and a beautifully renovated bathroom, this house is perfect for a family. The kitchen has a modern 5 burner gas stainless stove with electric oven, a walk-in pantry, provision for a dishwasher and opens onto the dining area. A drive through garage gives plenty of flexibility if you have a boat to store and there is so much space in the backyard for entertaining and backs onto green open space. There is a great studio in the backyard - perfect if you work from home or could also be used for when the guests come to visit. Call Danielle Harris from Raine & Horne Shoalhaven Heads for more information or to arrange a private inspection.
