A picture of period grace, this sympathetically extended three bedroom two bathroom bijou-style Edwardian delivers a fabulous single level lifestyle near Merri Creek trails and Miller Street cafes and trams. Celebrating its period pedigree with soaring ceilings, picture rails and Baltic Pine floors, this home beckons you in with its decked porch and double doored entrance hall, sweeps past beautifully proportioned bedrooms, master with a bay window and chic ensuite, another with a beautiful open fireplace, and culminates in open plan living. A modern room presented in true romantic style, it features a box bay window and French Doors to a sun kissed deck and paved alfresco gardens offering endless summer entertaining. The kitchen with a walk-in pantry, Blanco 750mm gas range, oven and Bosch dishwasher makes cooking for a crowd a breeze, while modern amenities include a huge family bathroom, ducted heating, split system air-conditioning, water tank and a cleverly concealed storage shed. Surrounded by parklands, schools including Bell Primary, local cafes, trams and bike trails, live your best life in a prized pocket that enjoys easy access to High Street's restaurants, bars and cinema.
