If you are looking for your first home or a development opportunity then this home is worthy of your consideration. Constructed in 1925 it still has some period pieces such as pressed metal high ceilings in several rooms as well as an original fire place in the lounge. There are three bedrooms, a separate kitchen/ dining room, formal lounge, sunroom at the front and bathroom at the rear. Sure there is some work to be done but imagine what it could look like once it is finished. The land is huge being 1700 m² and could be suitable for perhaps a granny flat in the rear STCA, or plenty of space to enlarge the home and have a great kid friendly yard. Campania is a great town to live in and is expanding at a rapid rate. It is only a few minutes from Richmond and an easy drive to the city of Hobart and the airport.
