Welcome to 103 Sir Warwick Fairfax Drive, Harrington Park - a luxurious two-story, five-bedroom residence on a generous corner block of 518 sqm, where opulence meets functionality. As you step into this grand abode, the spacious entry sets the tone for the magnificence that unfolds within. Designed with a growing family in mind, the downstairs area reveals an impressive floor plan featuring a formal living room, a separate media room, a games room, and a versatile home office or fifth bedroom. The heart of the home is the meticulously crafted kitchen, equipped with stone benchtops, an island bench, upgraded tapware, gas cooking, and ample storage, creating an ideal space for culinary enthusiasts and family gatherings. Upstairs, four sizable bedrooms, each with built-in robes, await your exploration. The master bedroom is a sanctuary of grand design, boasting an impressive walk-in robe and a complete ensuite with a luxurious bathtub. The main bathroom on this level is equally well-appointed, featuring an additional bathtub and a separate toilet for family convenience. However, the crowning jewel of this property lies in its triple car garage, offering unparalleled convenience and ample space for your vehicles. Entertaining is a breeze with an enclosed alfresco area equipped with an external bench and sink, accessed through a triple stacker sliding door, seamlessly connecting to the low-maintenance backyard. This residence harmoniously balances luxury, functionality, and style, making it the perfect haven for those seeking an upscale lifestyle in Harrington Park. Don't miss the chance to make this exquisite property your home.
