Set on a generous block, of approximately 820m², this beautifully built, 2011, Hotondo Homes design, has all you need with spacious, light filled open plan living and features tiled flooring, dishwasher, natural gas cooking, a large electric oven, this entertainer's kitchen offers plenty of cupboard space. The master suite features a walk in robe and an ensuite providing practicality, with the remaining three bedrooms all containing built in robes. Other modern conveniences include ducted heating plus ducted cooling, a double remote controlled garage with internal access. Outside provides an undercover alfresco space, well sized yard and garden shed. Surrounded by established gardens, with sprinkler system front and back, the home maintains privacy and offers a private sanctuary. A brilliant home offering an abundance of options, call today to arrange an inspection.
