Within the hustle and bustle by the beach yet tucked away and enjoying tranquil and restful surrounds, this house sized property offers clever accommodation for all ages. An obvious scale down option, its 135sm of floorspace is good enough and large enough to cater for families young or old with clever zoned living and leafy views from every room. In a secure boutique block lift access takes you to the first floor and to 104, a magical corner apartment that oozes relaxation the instant you step inside with its backdrop of green in the distance giving a great sense of space and tranquility. The living zone is sensationally big and boasts plenty of left over space to enjoy with family and friends and it is here that you will find the master with its metres of walk-in robes and private ensuite. The clever set out then features a hallway that leads to 2 further bedrooms, big and flexible and away from the rest of the apartment. A proper laundry is separate, the finishes just vogue, heating cooling as you would expect with the big pluses being a showpiece kitchen with 3m stone island bench, a beautiful central bathroom, a stunning 6m undercover entertainers' terrace, 2 side by side car spaces, 2 storage cages plus a St Kilda lifestyle that generations have loved and that you will too!
