Designed in collaboration with DesignOffice and DKO architects, the well-considered floorplan features a stainless steel kitchen with island bench, an abundance of storage and quality Smeg appliances, adjoining a spacious dining and living area that opens to a north facing semi-enclosed entertaining area/terrace, accessible via the floor to ceiling double glazed sliding doors. Light and bright thanks to the apartments corner orientation, the main bedroom features built in robes and a smart ensuite, while the second bedroom also has built-ins and clever bench seating with storage underneath, next to the sparkling central bathroom. Other features include lofty exposed concrete ceilings, double glazing, ducted heating & cooling, video intercom entry, euro-style laundry, easy lift access, secure parking, bike storage and a large storage cage.
