\$327,000

3 bedroom cottage in good order (the owner has actually maintained the property over the years). Currently leased at \$280 per week (lease expiry January 2024). Fully fenced, in good condition, handy to all shopping and main street venues. Two street frontage. Wood fired heating, eat in kitchen, good sized living plus a sitting room to the rear of the house. This is a great sized yard and would be great for children and pets to enjoy such generous space. Re-stumped and well fenced. Opportunities such as these are fast becoming rare as the proverbial hen's teeth so don't delay - book an inspection. Photos are limited as it is currently tenanted. Contact Logan Steele on 4681 3311 to organise an inspection.
