Now priced keenly at \$2,800,00.00, this picturesque and charming country estate is an opportunity not to be missed! Standing amidst century old Oaks, rolling lawns and comprehensively renovated to a modern country aesthetic, it beckons to those seeking a connection to nature, a quieter way of life yet still being in touch with urban necessities! The homestead includes high ceilings, open fires, polished hardwood floors and picture book vistas across surrounding pastures and hillside. Stepping outside, a north facing lawn frames an inviting, tiled inground swimming pool. It doesn't end there either, the current owners have created a wonderful 'event barn' that boasts space enough for large gatherings, an open fire, games area and stainless steel kitchen equipped with ample storage, range and dishwasher. This is truly a highlight of this family friendly entertainment focused property. Also featured are an 8 x 8m lock up garage, equipment shed, paved basketball practice court and kitchen/rose gardens with feature planters. The property offers an idyllic mix of gently sloping pastures with pockets of native hardwood, bushland and a fern gully abutting a seasonal creek. There are two reliable dams, abundant household rainwater storage and stockyards/loading ramp for livestock management. "Leintwardine" enjoys a tranquil yet accessible location - just off a sealed road with easy access to nearby Upper Beaconsfield Village or via Harkaway Road to either Berwick or Wellington Road to Melbourne suburbs. Come and experience this captivating property for yourself. Inspections by appointment.* Approx
