This property presents a distinctive opportunity - a partially stripped-out home with potential for the savvy buyer. The house features four bedrooms, a shared bathroom, and two family living areas. The front of the home retains its original charm, complete with beautiful timber-lined ceilings and an original fireplace. The home's history is showcased in every corner, making it a truly unique find. The back of the house was extended, set on a concrete slab, offering extra space for your creative vision. The spacious backyard provides plenty of room to transform this property into a personalized oasis. Outside you'll find a fully enclosed two-car shed, a smaller 4m x 6m shed with a concrete floor-a great additional storage shed. The large backyard features a beautiful lawn and very productive lemon tree, this property is positioned close to the business center, Campaspe River, and all the towns amenities and sporting facilities.
