Introducing an exquisite family haven nestled within one of Epping's most sought after neighborhoods, this refurbished gem exudes charm and warmth while ticking all the boxes for the growing family, or savvy investor. Boasting a generous floor plan, this stunning abode showcases four beautifully presented bedrooms, three with built-in robes, and a sumptuous master suite complete with a walk-in robe and ensuite. The spacious living area adjoins an inviting dining space, while the gourmet kitchen features 40mm stone bench tops and top-of-the-range stainless steel appliances – creating the perfect setting for hosting family and friends. No detail has been overlooked in the exceptional renovation of this home, with timber floorboards, heating and cooling, and stylish window furnishings throughout. The property also benefits from a lock up garage with an additional second entrance – ideal for boat, trailer, car, or caravan enthusiasts. Set upon a generous 578 square metres of land, this enchanting home is further enhanced by beautifully landscaped front and rear gardens, providing ample space for outdoor entertaining on the undercover deck and relaxation. Positioned within a quiet cul-de-sac, the property is also conveniently located close to the Northern Hospital, Epping Plaza and local shopping centres, established schools, Epping train station, and bus services. Don't miss your opportunity to secure this perfect home or valuable addition to your investment portfolio – enquire today and experience the exceptional lifestyle on offer in this captivating Epping residence.
