The Edgewater Estate's reputation for refined, resort style riverside enjoyment is elevated to an even more rewarding level by the Marina Apartments – as this outstanding property so emphatically illustrates. A rare 3 bedroom, 2 bathroom format featuring a main bedroom with a built-in robe and ensuite delivers exceptional living and dining areas that open at 2 points to brilliant wrap around balcony dimensions. Views over Harbour Park, the pier, Edgewater Lake and towards the Maribyrnong River highlight the pure visual allure of this address while elements such as the Caesar-stone kitchen, ducted heating, cooling and security enhance the huge everyday appeal. In addition, this apartment is accompanied by a storage cage and the significant, sought after asset of 2 car spaces. A property that guarantees a great experience where the outlooks, the luxury and the lifestyle combine to define the desirability.
