Big on space, big on benefits, this is your big opportunity to secure a place in Bayside's biggest boom location. On high in the Highett lifestyle hub's landmark group, this two bedroom plus study, two bathroom apartment offers the best of all worlds with the busy station, shopping and restaurants at the door ...and a quiet aspect faced away from the buzz. Appointed to meet the expectations of the demanding Bayside market with a wide island bench for the full-sized Bosch and stone benchtop kitchen, 5 Star fully-tiled bathrooms (including a private ensuite), this superior apartment is scaled up with a home-office-sized study easily doubling as nursery or overflow bedroom. With generous living flowing to an equally generous wraparound balcony, this reverse-cycle air-conditioned apartment has a private master-suite catching light via a dressing or retreat area, and great storage including robes, bathroom-store and a rare full storeroom access on the same level. Secured by video intercom and lift access to the basement garage, there's no bigger, better or more secure investment or start in Bayside today!
