If a large, luxurious residence minutes to the inner North's best amenities with easy access to public transport and the CBD is what you have been searching for - we have found the home for you! Introducing 105/5 Beavers Road, Northcote. Location - impeccable. Floorplan - incredible. Specification - luxurious. And the common area via the roof top is spectacular! This home is a must see! Space is the order of the day, as soon as you walk into the residence it is apparent how well constructed, designed and proportioned it is. Featuring a large hostess style kitchen fitted with 60cm Smeg appliances, as well as an integrated fridge. The bathroom, again large with a 1200mm shower (fully tiled, angle rebate insitu shower base), wall-mounted plumbing fixtures to the vanity, undermount sink and floor to ceiling tiles. The meals and family areas are completely separate - the meals large enough for a 6-seater table, the family area large enough for a 3+ seater sofa. Seamless flow onto the private balcony east facing, still accommodating plenty of natural light. The master bedroom, again spacious in size has been fitted with full-length built in robe providing an abundance of storage. You can afford to put the car away in your genuine car space (not a stacker!) as the location is impeccable - footsteps to bars, restaurants and cafes, whilst major tram & bus stops and train stations (Northcote Station) are minutes from your front door. If shopping is your style, Northcote Plaza is just around the corner. Perfect for first home buyers, investors (\$400+ per week rental appraisal) or downsizers - 105/5 Beavers Road is a must inspect!
