This beautifully renovated family home oozes character and charm with beautiful fretwork, high ornate ceilings and hardwood floors. Featuring five generous bedrooms, two full bathrooms and two large living areas, this spacious family home provides the perfect blend of functionality and style. A country kitchen with dining room adjacent is centrally located and has loads of storage. The home has air-conditioning and ceiling fans to ensure year round comfort and the bedrooms have been fitted with plush carpet whilst hardwood floors adorn the living and traffic areas. A covered rear deck overlooks the fully fenced yard, which provides privacy and a safe haven for the kids and pets to play. The allotment is 997sqm and is beautifully level. Downstairs shines with versatility. Besides being a tandem garage, there is a large open space which could be utilised for vehicle storage, or as a workshop or ideal to convert to a teenagers retreat or the coveted man cave or she shed. Conveniently located, the property is just a short stroll to Lismore Shopping Square, the CBD, schools and sports facilities. The property was impacted by the Feb 2022 flood and is elevated above a 1 in 100 year flood level ensuring peace of mind. Embrace the convenience, character and charm of this family friendly gem!
