When orientation and location are at the top of your must-haves, this 20 year old custom-built 4-bedroom residence needs your attention. A breathtaking northern vista is just one of the stunning features you will be thoroughly impressed with. Step into the grandeur of 14ft feature ceilings and a cozy gas log fire in the front lounge and formal dining area, both bathed in natural light. A sociable open-plan kitchen and casual living space, accentuated by panoramic views that change through every season. Cascading caesarstone kitchen tops and premium cooking appliances, along with a huge amount of storage, this kitchen space enables effortless entertaining. An oversized casual living room which looks out to the north, with concealed auto blinds. With three additional bedrooms, each with ample storage, and a master suite boasting a walk-in robe and modern ensuite, this executive home sprawls across 30sqm of living space within its expansive 44sqm floorplan. Outside, on the 740sqm block are low-maintenance gardens, and an outdoor fireplace and private courtyard providing the perfect retreat after a long day. Convenience meets luxury with a double remote garage, internal access, rear access, and generous under-house storage, catering to every need. Schedule your inspection today to secure your piece of Olde Berwick without delay.
