Houses like this don't come along very often. This five-bedroom, three bathroom home is in one of the most sort after locations on the South Coast. Designed to make the most of the sea view, with floor to ceiling windows that lead directly onto the front deck. A lot of houses are described as 'entertainers dream' but this one really is. Whip up a storm in the huge, modern kitchen while chatting to your guests in the open plan living/dining area. Set on a low maintenance block, this has been used as a holiday rental with excellent tenancy rates. There is also a massive double garage for your caravan and boat. This home is as close as you can get to Carters Beach. Book a private inspection today by calling Steve at LJHooker on 0407 22 66 03.
