"21 years ago my husband and I drove past the auction of this house by chance. With a park, oval and the trees right across the road it was the perfect place to raise our family. Our daughter's school was local with her bus stop only steps away, as well as the train station, Westfield mall, library and more just a few minutes walk. I see another young family moving in here. It's so great with hospitals and childcares on the same street too". - Owner-Neatly presented three-bedroom family home offering flexible living options and high ceilings in a convenient location, perfect for families only 500m approximately from the main Hurstville CBD. -Three spacious bedrooms, two of which feature a built-in robe-Spacious bathroom with large spa bath-Generous kitchen with ample storage and bench space-Enjoy a light filled living space with seamless flow to an open and airy dining area-This home also features timber floorboards throughout, air conditioning, high ceilings, an internal laundry, a storage room and off-street parking for two cars-Embrace outdoor living with a spacious and low-maintenance yard, featuring a raised grassed area and a covered entertaining space for hosting gatherings-Enjoy a prime location near esteemed schools like Danebank, Bethany College & St Mary's Star of the Sea, minutes walk to Hurstville train station, bus interchange, Westfield Mall, library and hospitals as well as Hurstville Oval and Timothy Reserve across the roadCouncil Rate: \$425.00/quarterWater Rate: \$260.63/quarter
