Taking in views over adjacent parklands and with DFO shopping and cafes within a short walk, this three bedroom, two bathroom home ticks all the boxes on any first home buyer's or investor's wish list. Streamlined style defines the classic interiors of this dual level home where open plan living extends to an alfresco deck and manicured gardens, and 900mm Westinghouse appliances feature in a modern island kitchen with generous storage. Clearly delineated private and social zones see the bedrooms positioned on their own floor along with two designer bathrooms, the luxe master accessing a balcony with parkland views, walk-through robe and ensuite with an oversized shower. Plantation shutters add a touch of class to this light-filled home while a separate laundry, ground floor powder room, heating/cooling and double garage with internal entry and a 3 phase Tesla charger promise a premier urban lifestyle near Plenty Road trams, RMIT Bundoora Campus, Janefield Wetlands and Bundoora Square shopping.
