Situated approx 35 mins from Queanbeyan this property is the ultimate recreational property. The block is approx 100 acres of natural bush land and has numerous trails throughout it and even has an old speedway track for you to test your skills. The home and infrastructure are situated in the middle of the block offering you great privacy from each boundary. The home offers 3 x bedrooms, master with ensuite and deck. Seperate large entertainment room with a bar which is perfect for entertaining and your own indoor spa. Outside area includes an undercover bbq area, large workshop 7 x 11 with 4 mtr roller doors, large open bay machinery shed and a stand alone self contained granny flat. The property has a large solar system making it completely off grid and there is plenty of rain water storage as well. This is a great opportunity to secure a property close to Canberra and the coast.
