Offers over \$649,000

This is a home where you can walk in, put your feet up, and just live. From the front to the back yard and everything in between, this property has been loved and so well maintained, it still feels like new. Entry to the home is either through the remote-controlled garage with internal access, or via the front deck into the welcoming entry hall. The good-sized open plan living flows through to a near new kitchen with its granite bench tops, upgraded appliances, island bench and more. Sliding doors from the dining give access to the front deck making for a great al fresco dining area. You can access the back deck from the living room and laundry. There are 3 bedrooms, all with built-in robes; the master having a walk-in robe and ensuite. Quality floor coverings throughout the home, as well as day and night blinds and a heat pump keep the property at just the right temperature inside. Sit on the front covered veranda, with its view across Pittwater, Midway Point up to beautiful Mount Wellington (kunanyi), or on the back covered deck and watch the children and pets playing in their secure and safe back yard. You will also find 2 workshops/sheds, one with 3 phase power, and a well-manicured yard with minimal maintenance required. Add to this 24 solar panels and a solar hot water cylinder, you shouldn't receive any more of those scary power bills. Located within walking distance of Sorell CBD, school and sporting venues and a mere 25 minute drive to Hobart, this property is well worth your inspection. N.B.
