High rents, good returns and a strong property market are very good reasons to consider Wellington for your investment dollar! This property priced at the lower end of the market presents a great opportunity for those looking to value add. Sure it needs work, but the bones seem good and the price leaves plenty for the home renovator. There are millions of dollars coming into the district for major projects, so the time to act is now! Features include 3 bedrooms, lounge, kitchen/dining, front & rear verandahs, single carport and a garden shed.
