The owner's pride is evident when you enter the semi circular driveway and look upon the manicured gardens. Set on approximately 5.03 acres with gorgeous rural views over some of the best farmland in South Gippsland. The gardens have been beautifully landscaped with every single tree, shrub or plant being planted and cared for by the current owners. Featuring a pond with a reticulated creek, extensive orchard, vegie patch and numerous berries. The four bedroom cedar home has a modern kitchen/dining and family room with electric oven, gas cooktop, dishwasher and the magnificent rural views from the dining area. A sliding glass door opens out onto a large decking with a natural canopy of ornamental grapes. Other features include a 6m x 7m colourbond shed with excellent clearance suitable for a caravan, 3 bay machinery shed, chook pen and disused dairy which has been converted to a bunk house complete with lounge area and cooling amenities. This property will not disappoint.
