A marvel of architectural design, this prominent turn-key home epitomises luxury and style, offering a timeless oasis destined to be cherished for generations. With city skyline vistas and captivating views of The Lakes Golf Course, it promises an unparalleled living experience - a hidden gem in Sydney's East. Beyond the stunning facade, meticulously crafted from premium materials, awaits a masterfully constructed double-brick, two-storey residence designed to perfection. With soaring ceiling heights, light illuminates each space that freely flows in an open plan layout and culminates in an expansive central living, dining and entertaining space. At the heart of the home, you'll find a gourmet kitchen fitted with a 5 burner Franke cooktop above a 900mm Bosch pyrolytic oven. An inviting 25sqm of covered alfresco is embellished by an artisan concrete feature wall and beckons year-round enjoyment with in-ceiling speakers, heaters and a fan. The 5m outdoor granite kitchen includes a built-in stainless steel gas barbecue and rangehood. The large, private backyard features a level lawn and easy-to-maintain garden beds of Australian native plants, dwarf citrus trees and culinary herbs. Upstairs presents three generously sized bedrooms with custom cabinetry. The deluxe master captures views of the city skyline and features an expansive walk-in robe and dual-vanity designer ensuite. A spacious balcony adjoins the front bedroom and looks on to a quiet street opposite The Lakes Golf Course. Located in a prime position, you'll delight in the laidback community atmosphere and lifestyle convenience. Just minutes away are vibrant entertainment and culinary precincts in Alexandria and Rosebery such as The Cannery, as well as Westfield Eastgardens, schools, golf courses and city-bound transport. - Grand, floor-to-ceiling stacker doors to alfresco and front and rear balcony - State-of-the-art kitchen includes Sirius rangehood, built-in Fisher & Paykel French door fridge and integrated AEG dishwasher - PIXIE automation to customise and schedule home lighting - Skylit stairway to three beautiful bedrooms with highly durable timber-look Italian floor tiles - All bathrooms have custom floating vanities with ambient LED lighting - Remote controlled blinds, Daikin zoned climate control, wired in-ceiling speakers, video intercom, security system and cameras, internal access with lock-up garage
