Boasting a peaceful, secluded position at the very rear of a chic contemporary group only three years young, this stylishly appointed sun-swept apartment is the perfect low maintenance base, just moments to the station, shops and beach. With secure intercom entry and lift access for peace of mind, the first thing you will notice when you step across the threshold of this stunning residence is the abundance of natural sunlight and warmth throughout. Enhanced by coastal-cool wide-board floors, accommodation includes an open plan living/dining zone with terrace access, a sleek gourmet kitchen with crisp white finishes and stainless steel appliances and two bright & fresh bathrooms, including the master ensuite. Built-in robes can be found in both of the generous, carpeted bedrooms - also offered are split system heating/cooling and a European-style laundry. A parking space and storage cage finalise a truly impressive lock & leave package. There are many popular cafes & restaurants within a stroll, and the apartment is close to parks, local schooling options, childcare and so much more for a laidback beachside lifestyle to envy!
