The style and sophistication that are the signature attributes of the exclusive CONSTANCE complex are beautifully expressed by this alluring two bedroom apartment, desirably situated only moments from green expanses and great recreation facilities of Anderson Park. Oak floors, generous dimensions and designer flair define a living/dining domain that's accompanied by an open-plan kitchen where stone benches, Miele appliances and an abundance of integrated cabinetry reflect exceptional refinement while the balcony's private proportions deliver significant outdoor appeal. A pair of double bedrooms, each with built-in robes, contributes inviting accommodation to a floor-plan that's completed by an impressively appointed, impeccably presented central bathroom. Heating, cooling, total security and an allocated car space add to the attraction of an address offering Auburn South PS zoning, further enhanced by proximity to Cato Park, Burke Road tram routes, Gardiners Creek bike paths and Camberwell Junction.
