Why compromise on space, lifestyle and location when you can have all three with this immaculately presented oversized three bedroom apartment complete with city views! From a location point of view, it's hard to beat given that Westfield Doncaster, city bound bus services, Doncaster primary and secondary schools, Doncaster Playhouse, Doncaster Library and parks are all within short walking distance and the Eastern Freeway/Eastlink is a just a short drive away, meaning you can be in the CBD in less than 25 minutes (approx. off-peak) and on the Mornington Peninsula in under an hour (approx.). Equally hard to trump is the bright and stylish apartment itself, which excels with its high end finishes, as-new presentation and, of course, luxury of space. Enjoy the advantage of three generous sized bedrooms and convenience of two luxurious fully tiled bathrooms (master with ensuite), while the seamless union between the fashionable open plan living domain and huge wraparound balcony that takes in those breathtaking city and district views presents a sizeable indoor outdoor lifestyle centrepiece. Chic style, exceptional quality and a generous sense of space are hallmarks of the gourmet kitchen, which boasts waterfall stone benchtops, on trend lighting, mirror splashback and stainless steel appliances, while this instant lifestyle upgrade for the professional couple, young active family or empty nesters also features split-system heating and cooling, square set high ceilings, abundant natural light, warm timber flooring through the open plan living area, carpeted bedrooms, secure access, lift access, video intercom and a secure basement car space.
