Sleek and sophisticated on the cusp of Camberwell Junction, this elegant contemporary apartment's crisp architectural lines, luxury finishes, and fabulous lifestyle location elevate the brilliant owner occupier or investment opportunity provided by its bright single bedroom proportions. Facing east at the rear of its boutique designer development, an astute design uses whitewashed walls and expansive double glazing to keep every inch of its spacious proportions full of glorious natural light and leafy streetscape outlooks. An open plan living/dining domain features a stone finished kitchen and a wall of sliding doors that expand the space to a deep full width entertaining terrace overlooking the leafy neighbourhood surroundings. Includes a bright bedroom with excellent BIRs/storage, stand-alone luxury bathroom with walk in shower and ample storage, split heating/cooling, lift accessed basement parking and storage cage. From this prime position on the edge of the Camberwell's prestigious Tara Estate, walk to renowned Reid Gardens and every Junction amenity including shops, boutiques, trains, trams, Camberwell Market, Rivoli Cinema, and community services with easy access to Kew and Hawthorn retail and dining, major arterial links to the MCG and CBD and both the Monash and Eastern Freeways. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
