Private, secure, updated, fully established, and well located, this property is ready to move in with nothing left to do. Set back from the road, the high fence and electric gate not only make this property quiet and private, but secure as well. A light filled lounge room, spacious dining area and newly renovated kitchen provide an open family living space. The home consists of 3 bedrooms, all with built in robes and an ensuite for the main bedroom. A family bathroom with separate toilet, laundry with extra storage and large linen cupboard complete the floorplan. Zoned ducted heating, evaporative cooling and new carpets are desirable updates you will certainly notice. A generous under-house storage/workshop space is worth its own mention, offering tinkering and storage space or perhaps a future games room or teenage retreat. Outside living is also lovely with two separate level lawn areas for play and entertainment. The mature garden is a blend of natives, productive fruit trees and shady Europeans and also incorporates a chook house. There is an undercover carport and plenty of additional off-street parking. Just down the road you will find the Wesley Hill Bakery, Green Folly Nursery and Café, Wesley Hill Saturday Market and Goldfields Track. An easy 15 minute walk into the centre of Castlemaine makes this a convenient location.
