$950 per week

This home is an exercise in renovation excellence from its fantastic start to its fabulous finish. Entered from the corner site's Jack Street frontage, the appealing proportions of 4 beautifully fresh bedrooms are matched by the unforgettable beauty of 2 fully tiled bathrooms, including the elegant ensuite that accompanies the substantial main bedroom. At the rear, designed to make the most of the northerly aspect, the addition of a brilliant living/dining domain illustrates the renovation's impact. Clean lines, the natural light, polished concrete floors and the sophisticated kitchen's dramatic, dynamic dark tones leave an unforgettable impression. A sunny deck, simple yet superb landscaping and car parking access from Jack Street conclude a sensationally transformed residence close to Newport's main attractions and Williamstown's bay-side vibe.Call 9974 0000 for all your enquires!Inspections are subject to cancellation or time changes without noticePhoto ID required to inspect all rental propertiesApplicants must view the property before any applications will be processedEvery precaution has been taken to establish the accuracy of the above information but does not constitute any representation by the landlord or agent
