One of the largest 3 bedrooms in the complex, Zirkys 106 is ideal for a large family, several families, or to accommodate your ski buddies in the lap of luxury. Holding a prominent corner position and spread over 2 floors, its windows allow the natural light and warmth to bathe the apartment while offering you views of Heavenly Valley and the Alpine Ranges, as you enjoy your Apres while contemplating tomorrow's turns and watching the snowflakes fall. Level 1 offers massive entertaining areas, open plan kitchen and dining, balcony with views across the alpine ranges, laundry/drying room and large owner locker. Level 2 provides Master suite with own bathroom and walk in wardrobe, 2nd bedroom with built in wardrobes, kids bunk room and family bathroom. There is no shortage of storage with large owner lockers on both floors. These generous duplex apartments in what is regarded as one of the best locations on the Mountain rarely come to the market.
