Welcome to your dream retreat nestled on approx 16 acres of picturesque land offering unparalleled privacy and breath taking panoramic views of the distant mountains. This expansive property boasts multiple self-contained homes, making it perfect for extended families, rental income, or hosting guests. Follow the meandering driveway through scattered trees to the impressive home. Enjoy a morning coffee on the verandah admiring the ever changing colour palette of the mountains, wander down to the large inground pool for a refreshing dip or take a short stroll on a walking track from the end of the property to the river. Comprising 3 self-contained areas, each with their own separate entrance and amenities for complete independence, the main residence features: * Spacious 3 bedroom home with ensuite * Fully equipped modern kitchen * Stunning easterly views * Wood heating * Split systems * Spacious 2 bedroom home with ensuite * Fully equipped modern kitchen * Stunning easterly views * Wood heating * Evaporative cooling * Split systems * Cosy 1 bedroom unit with kitchen, ideal for rental income / extended family accommodation. Separate to the main residence another 1 bedroom self-contained home with kitchen, bay windows and carport offers another option for rental income, Airbnb, guests or multi-generational living. An additional 'tiny home' is a bonus should you wish to utilise it for guest/teenage/in-law accommodation. To complete this wonderful property, numerous options for car accommodation in addition to a large workshop with power, water and concrete floor. Experience the unmatched tranquillity and endless income potential in this breath taking retreat. Contact us today to arrange an inspection.
