Live the easy life just north of the town centre from the stylish low maintenance surrounds of this Lock & Leave apartment. Offering young buyers a chance to buy in a sensational location, it is also an effortless investment for those in the know. Contemporary pale flooring flows through the open plan layout which comprises a spacious living/dining zone extending from a sleek kitchen where Bosch appliances and gleaming cabinetry are topped with silky stone. With a breakfast bench here for casual drinks, you can also take your guests outside to the generous balcony which is protected from the weather for year-round use. The main bedroom boasts a stretch of fitted wardrobes - storage is also offered in the second bedroom while together they share the bright bathroom with a streamlined frameless shower and a hidden Euro laundry. A split system in both the living area and main bedroom keeps the interiors comfortable and the stress-free package is wrapped up by secure basement parking and storage room plus intercom entry to the low-rise building. Ideally located just a few minutes on foot to the station, close to both buses & trams, the amenity-rich pocket is near cafés & shops while students will love proximity to Monash University Caulfield. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
