\$350,000 - \$380,000

Experience the ultimate in bayside living with this ultra-cool 1-bedder in the striking Luna complex, whose gold-embossed façade was inspired by Princess Leia's golden attire in the Return of the Jedi. The clever design features living/dining, streamlined kitchen and a charming Juliet balcony to invite in refreshing sea breezes. The cherry on top is the massive rooftop terrace, where you can bask in the sun, mingle with friends, and marvel at the awe-inspiring bay and city views. This isn't just a home – it's an extraordinary lifestyle! A short walk to supermarket (110m, 2min), bars, restaurants and cafes as well as easy access to buses and city trams - An exhilarating lifestyle in the architecturally striking Luna complex- Sleek, modern design with the best of St Kilda living on the doorstep- Sunlit, spacious living and dining area radiating cool vibes- Slick, fully equipped kitchen with ample storage and stone benchtops- Refreshing sea breezes from the charming Juliet balcony- Contemporary bathroom, convenient laundry facilities for easy living- Breathtaking rooftop terrace for sunbathing, socialising and BBQs- Moments away from the beach, fantastic eateries, hip cafes, and vibrant nightlife- Easy walking access to transport, Palais Theatre and Botanical Gardens
