\$417,500

Its sought after setting at the rear of a highly regarded modern development means this bright apartment is beautifully quiet – in fact from its north facing balcony no traffic noise at all interrupts your enjoyment of the light, the privacy and the leafiness beyond. A living/dining area that features stylish timber flooring and efficient split system heating/cooling flows to the balcony's irresistible outdoor retreat while an open-plan kitchen elegantly incorporates stone benches, stainless steel appliances and quality cabinetry. The double bedroom's dimensions, built-in robes and bright aspect complement its exceptional comfort in an apartment that's completed by a bathroom featuring a generous shower, impressive fittings and distinctive designer tiles. Secure, serene and sunny – a sensational first address, with car parking, also offering outstanding investment success conveniently close to cafes, shopping and North Williamstown station.
