Designed to frame the spectacular views from every angle and vantage point. This home is bathed in natural light from the picture frame windows throughout both levels. Glass louvres allows for fresh, cool ocean breezes to circulate evenly while enhancing the views. A true sense of being at one with nature is evident from the ground floor with wide sweeping views of the lawns and waterway, whilst the first floor captures the vista down Money's Creek to the ocean. The ground floor level is the entertainment heart of the home, the rectangular shaped swimming pool compliments the clean architectural lines of the house. Coastal inspired timber style flooring with crisp white cabinetry in the kitchen adds to the casual elegance of the home. The stunning honey coloured timber staircase with glass balustrading is contrasted against a moody charcoal grey feature wall creating a dramatic entrance. Upstairs the library or study adjoining the main bedroom enjoys spectacular water views, a superb home office or simply a place to enjoy a moments solitude. Designed for multi generational living with a downstairs and upstairs en suited bedroom, creating a separation of space. Three additional bedrooms are located on the upper level, with a possibility of a study or play area adjoining these rooms. Designated rooms and areas creates a sense of space plus intimacy allowing for single person or large family to feel comfortable in the ambience. Externally the home is truly unique. As you enter up the sweeping driveway, past the single shed and carport you know you have arrived at a special home. A sense of privacy engulfs you. The home situated at the rear of a 1817 m² allotment to capture the views. Generous lawns for children, pets or gardens provides multiple opportunities. All this minutes to the beach, restaurants and shops. This is a true lifestyle home, one to experience and share. Arrange an inspection today.
