Welcome to 107 Willandra Circuit, Warragul - where modern comfort meets everyday convenience. This home is all about easy living with a touch of luxury. Step inside to find a spacious interior with all the comforts you need. Four bedrooms, each with its own walk-in robe, offer plenty of space for everyone in the family. The master bedroom comes complete with two robes, a lovely ensuite with dual vanity and oversized shower separate toilet. A central bathroom serves the rest of the house just as nicely. Entertaining is a breeze with two separate living zones - one open-plan area that flows seamlessly to outdoor spaces, and another cozy rumpus room with pocket doors for a bit of privacy. Need a quiet space to work? There's a handy large home office room with built in desk and shelving ready and waiting. The heart of the home is the spacious central kitchen, perfect for whipping up meals for family and friends. It's got everything you need, including a butler's pantry with sink, breakfast bar, and sleek stone benchtops with a waterfall island. And cleanup's a breeze with a high-end dishwasher and soft-close drawers. Outside, you'll discover a well-kept landscaped yard with plenty of room for the kids to play. The extended alfresco with skylights makes for the ideal entertaining zone. Gated side access for added convenience, along with a garden shed to store all your tools. Enjoy stunning views of Mount Worth from the backyard, adding to the relaxed vibe of the home. Plus, with solar panels and a security camera system in place, you can rest easy knowing your home is efficient and secure. Other highlights include a large internal laundry, double car garage, and a striking facade that gives the home plenty of curb appeal. Stay comfortable year-round with ducted heating, evaporative cooling, and a split system. 107 Willandra Circuit offers a lifestyle that's both elegant and easygoing - come see for yourself!
