Expressions of Interest Closing on Thursday 18th April at 3pm Entry level spaces are defined by designer style and a luxurious edge throughout this sensational one bedroom apartment in a striking contemporary building that makes the most an enviable setting high on Richmond Hill. The image is alluring, the ideas are intelligent in superb spaces including a living/dining area that features oak flooring, a substantial balcony and an open plan kitchen fitted with Bosch appliances, finished with stone benches and further enhanced by efficient storage. In its zone of a brilliantly designed floor-plan the double bedroom, with built in robes and an aspect across the balcony, is complemented by a separate bathroom that's impressively appointed and impeccably presented. Heating/cooling, a euro laundry, allocated basement car space and a sizeable storage cage, accompany an apartment positioned so that Swan Street, Bridge Road and Richmond station can all be walked to with ease. A smart way to ensure first home buyer success, or to enjoy reliable investment rewards.
