Oxley Apartment Complex, a development by prominent Melbourne property developer Urban Inc and designed by award winning architects Elenberg Fraser, located in the heart of Collingwood's Foy heritage precinct. Featuring a great open plan lounge/dining that is overlooked by a fully functioning kitchen and leads directly to the terrace. Two double bedrooms, both enjoying terrific natural light share a generous central bathroom. Design features include wool carpets, quality S/S appliances, stone benchtops in the kitchen, reverse cycle AC and double glazing. Secured parking, storage, and full security access complete the picture. Beyond the apartment, the lush exterior landscapes provide occupants with a secure sanctuary to call home. With plenty of options for entertaining whether it be by rooftop garden terrace or swimming pool (all on the same level as your apartment) which overlooks Collingwood's decommissioned industrial factories. Less than 4km from the CBD and even closer proximity to Smith Street bars/cafes/restaurants, Oxley is conveniently located to provide an ideal balance of work and play.
