The possibilities are plentiful: Renovate the existing dwelling: Breathe new life into the current structure, maximizing its potential. Extend upwards: Capture the breathtaking vistas towards Dandenong Ranges with a well-planned extension, creating a light-filled haven with stunning views. Build your dream home: Design and construct your ideal residence, with ample space to suit your every need. The existing house features a carport, study, four bedrooms with built-in robes, two bathrooms, and two lounge areas. A separate shed with 3-phase power provides additional storage or workspace. With top-tier schooling, freeway access, Marco's IGA, and childcare all within easy reach, convenience is assured.
