OFFERS CLOSING MONDAY 25TH SEPTEMBER AT 5PMSet in a quiet country lane, amongst some of the areas finest homes and enjoying the serene lifestyle that is on offer here in this tightly held pocket of Beaconsfield. Literally a 5 minute drive to Haileybury College and the conveniences of Berwick and Beaconsfield, this renovated family home is awaiting your stamp of approval. Signs of the original retro 1970's build are evident in the exposed beam ceilings and wall to wall windows which capture the natural light and the treetop views. Continue the renovation to create a trendy mid-century rendition! A modern kitchen overlooks the gardens, and the abundant birdlife become part of the family. At one end of the house an oversized lounge room, leads to the master bedroom with walk through robe, trendy en-suite and sunny morning views. The other end of the house comprises a generous kids zone, 3 more double bedrooms, serviced by another stone-lined modern family bathroom. A pitched roof outdoor decking, a separate downstairs utilities room and terraced gardens make this a unique country home. With coonarra wood fires, split system heating/cooling, 100,000 litres of water storage, 24 solar panels, auto-gates and a double carport, the spot for the shed is ready to go! This one is too good to overlook - well priced and with homes selling in the street for over \$2m, this one is definitely a great investment!
