SOLD BY DARREN JONES REAL ESTATE. Footsteps to the bus, pre-school, parks and local café, a short stroll to the primary school, secondary school and Diamond Village and just minutes from the heart of Greensborough, this perfectly positioned three-bedroom classic delivers comfortable living with unbeatable convenience. Warm, welcoming, and offering entry-level brilliance, the surprisingly spacious interior introduces three living areas. A traditional lounge-dining sweeping around to meals overlooked by the timber-finished kitchen is complemented by a spacious casual living area. Sliding doors link it and the meals to an expansive outdoor entertainment zone that anchors the private, low-maintenance rear yard. Ready to move in and add value with a cosmetic makeover, there is also renovation potential with this charmer, along with the option to redevelop into a brand new family residence (all stca) • Ducted heating • A/c unit • Robes to all three bedrooms • Double carport with gated access from Amiet Street • Solid timber kitchen • Corner allotment • Central to all desired amenities
