Have you ever wanted to just see nothing except green pasture, content grazing livestock and know you didn't have to farm any of it, then we have an opportunity for you! If solitude and relaxing far away from suburbia is on the agenda and NO next door neighbours close by, put this on the agenda, as this 46 acres (approx) provides those options. This beautiful flat and undulating block with a creek running through the property and a dam, is located along a quiet country road just minutes away from the town of Port Arthur. The block is mostly pasture with some bush and has several house sites to choose from to build your own home. An external fence surrounds the property and has a 4-bay shed erected, making it an excellent base for camping away with family and friends. Enjoy the best of both worlds with the peace and quiet of a rural setting, and the convenience of only 1.5 hours from Hobart CBD. Beaches, walking tracks, and numerous water ways for you to explore are all close by. Contact exclusive Listing Agents Danny Boon or Debbie Allanby to arrange a copy of title plan.
