Ruby Tower is designed by high profile architecture company Popov Bass, winners of many awards for architecture. The design of Ruby Tower comes into the three dimensional world through a very much sort after building firm, one of Australia's biggest, Hutchinson Builders a family company since 1912. Ruby Tower has pedigree enough to be considered Victoria Park's crowning achievement, the "Premium Address" if you will. The interiors of the apartments within Ruby Tower are of an uncluttered timeless ambiance, achieved through quality of material, understanding of colour and texture of surfaces. Features include:

- Located on level 1 and 2 with North aspect
- Light-filled lounge and dining area flows to balcony
- Washed oak timber floor throughout internal.
- Modern gallery kitchen with Miele appliances, gas cooktop and Ceasar stone benchtops.
- Stylish bathroom combined internal laundry with dryer
- Ducted air conditioning, build-in wardrobe, and intercom security.
- Lift access/Security building
- East Village shopping Centre and public transport at doorstep.
